A New Language of Living

Pure Bliss Development LLC stands for a vision of living, that goes beyond the ordinary crafting spaces where architecture uplifts and design brings quiet joy to everyday moments.

In partnership with GRID, the Development Lifecycle Management Partner, this vision is brought to life with purpose, precision, and care. From concept to completion, every detail is shaped with clarity and soul.

The result is Bliss Tower - a serene landmark where thoughtful design and graceful living meet. Here, space is not just built, but beautifully composed, allowing life to breathe, pause, and truly blossom.

About GRID

At GRID, we don't just build we shape experiences. Each of our developments is a reflection of thoughtful design and timeless elegance.

For us, architecture is not just a structure, but a story one that inspires, connects, and elevates everyday life.

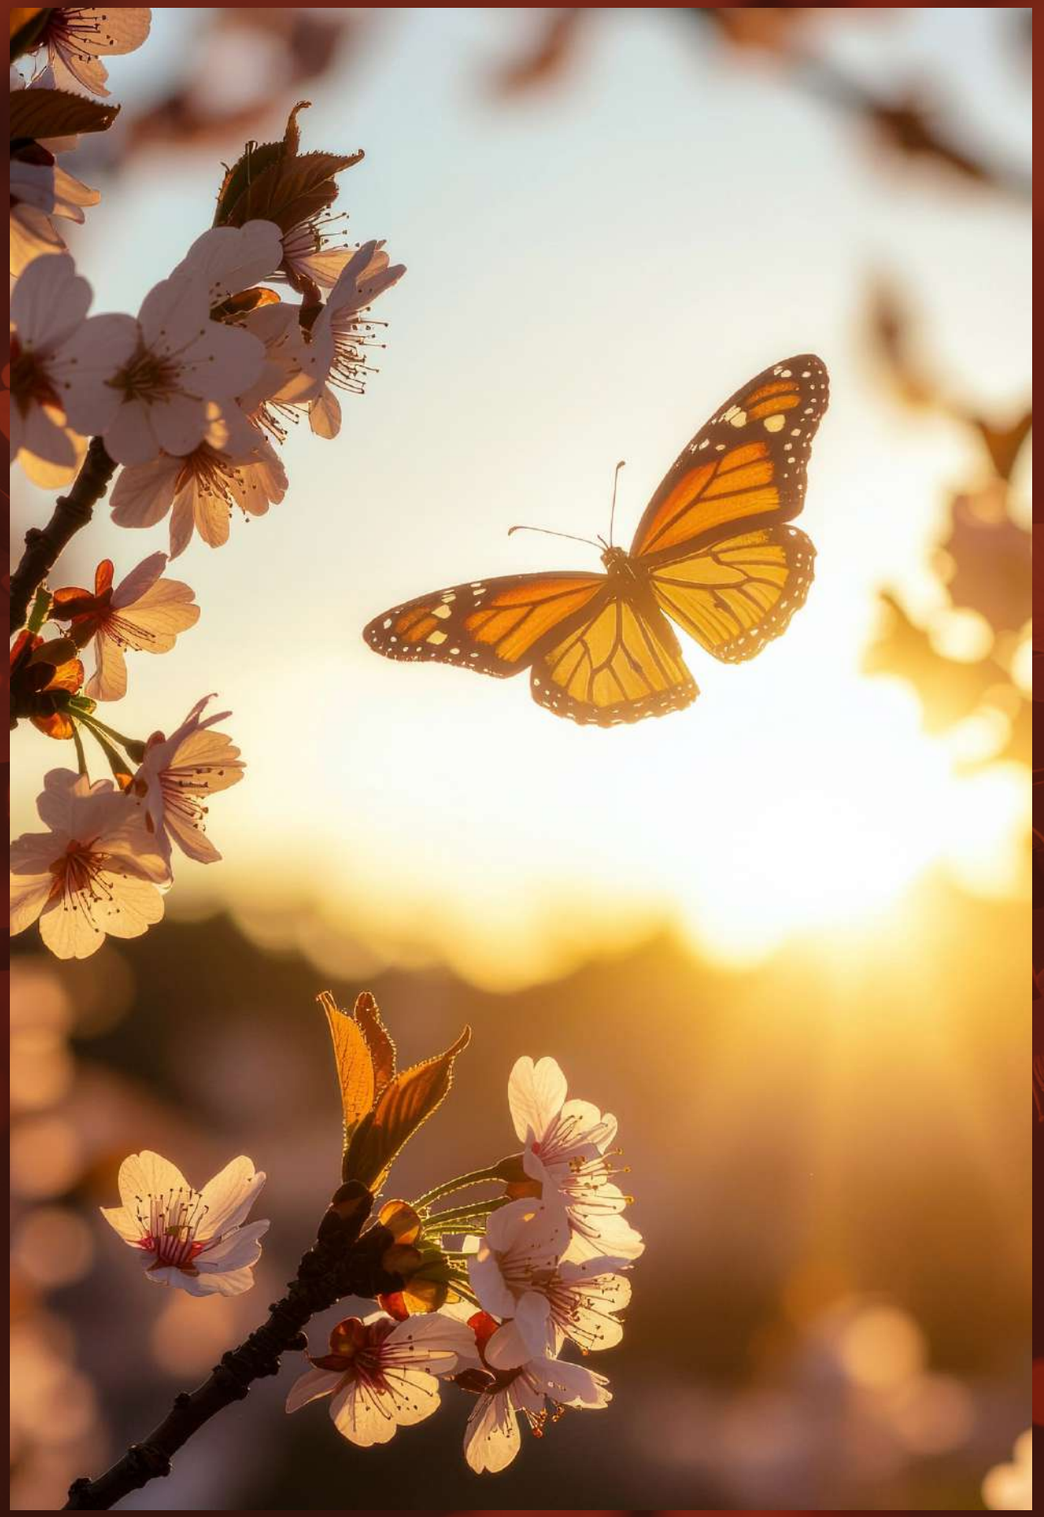

Our design philosophy is rooted in purpose. We create spaces that do more than exist they breathe, invite, and evolve. We challenge the ordinary to reimagine urban living with creativity, depth, and meaning.

With a portfolio of over 30 projects and 6.8 million square feet of development, valued at $2.2 billion, our legacy is defined by vision and precision. From the refined sophistication of The Lucan in Chelsea and the couture elegance of Elie Saab Residences in Bayswater, to the tranquil modernity of Casa Serene in Dubai, and the iconic W Residences, every project is a unique expression of our ethos.

Spanning the UAE, UK, and Cyprus, GRID is committed to creating places that stand the test of time spaces that enrich lives, inspire pride, and leave a lasting imprint on the cities we shape.

A Philosophy in

Bloom

The Art of Simplicity.
The Power of Stillness.

Inspired by the quiet confidence of Enso, and the fleeting grace of Sakura, Bliss Tower is a home where serenity flows.
Its soul is rooted in Japandi design - where Nordic functionality meets Japanese harmony. The result?

Spaces that are minimalist, yet warm.

Purposeful, yet poetic.

Alive, yet calming.
