At SAAS Properties, we craft homes that transcend the everyday, offering an unparalleled experience defined by timeless design and refined aesthetics. We endeavour to create premium living space that seamlessly blends innovation and sustainability. With projects that set the benchmark for elegance and quality in the region, SAAS Properties is synonymous with luxury living in the UAE. Our acclaimed projects include SAAS Tower in Dubai, One Reem Island, Reem Five, Reem Nine, Reem Eight, Reem Eleven and SAAS Business Tower, in Abu Dhabi.

The image shows a high-angle view of a modern, curved building with a glass facade. The building's design is characterized by smooth, flowing lines. On the rooftop, there is a swimming pool with a glass railing, surrounded by lounge chairs and potted plants. The building overlooks a vast cityscape at sunset, with the sun low on the horizon, casting a warm glow over the scene. In the distance, a prominent skyscraper is visible against the hazy sky. The overall atmosphere is one of luxury and modern architecture.

Life flows in curves,
REVEALING ENDLESS
POSSIBILITIES

Art of curves in CONTEMPORARY ARCHITECTURE

Nestled in Dubai Science Park, this exquisite development features an elegantly curved design, harmonising natural airflow to evoke a sense of openness and freedom. The two masterfully designed towers house a collection of apartments, townhouses, and duplex sky villas, each meticulously crafted with sophistication and timeless style.

A woman in a white short-sleeved shirt and light-colored trousers is drawing a red mark on the forehead of a young girl. The girl is wearing a yellow dress and white tights. They are standing in a modern interior with concrete walls, a bookshelf, and a potted plant. The scene is lit with warm, golden light.

The hub for WORK, PLAY & LIVE

In addition to being a hub for healthcare, energy and environment sciences, Dubai Science Park is minutes away from business districts like Dubai Hills Business Park, Dubai Media City and Dubai Internet City, among others.

Students can choose from some of Dubai's finest schools, from Repton School within Dubai Science Park itself to Nord Anglia International School and King's School in the immediate vicinity.

Golfers will love the proximity to Dubai's finest golf courses including the legendary Els Club. Your well-being too receives world-class attention thanks to the likes of Kings College Hospital and Mediclinic Parkview Hospital being right around the corner.

Effortless access to **PRIME DESTINATIONS**

Ideally positioned between three major highways, offering easy access to Dubai's iconic landmarks, the development presents an unparalleled blend of lifestyle and convenience. It's just a minute from Sheikh Mohammed Bin Zayed Road and three minutes from Al Khail Road.

SOCIAL LIVING

redefined

If you're looking to host a large party for friends, you have a spacious community hall that comes with dedicated cooking and dining areas. Missing the beach? Head up to our sandy beach pool on the rooftop for quality time with your family. Engage in friendly competition with your fellow residents at dedicated courts for padel and basketball. Even the little ones have their share of fun with two thoughtfully designed play areas and a games lounge. Designed to offer a perfect blend of recreation and sophistication, the leisure areas help shape your fulfilling lifestyle.

Luxurious LIVING IN *every* DETAIL

The prestigious address boasts two majestic towers - Tower A and Tower B, featuring 857 exclusive residences. Unparalleled refinement in every detail distinguishes the luxurious townhouses and duplex sky villas. With thoughtfully designed apartment layouts that also include maid's rooms, these residences redefine contemporary lifestyle. Complementing the signature curved architecture, a 10-metre-high waterfall cascades across an area of 200 square metres at the heart of the building, filling each day with soul-enriching serenity.

The image depicts a sophisticated and serene spa retreat. In the foreground, a large, curved concrete pool is partially visible, with a long, low, curved concrete ledge featuring five large, light-colored rectangular cushions. Behind the pool, a lounge area is furnished with several beige armchairs and ottomans, some with blue and white patterned cushions. A small, round, light-colored table is also present. The background wall is a focal point, featuring a large, square panel with a complex, geometric, and textured pattern. Above this panel, a balcony with a glass railing and some potted plants is visible. The overall design is clean, modern, and uses a neutral color palette of beige, cream, and light wood tones, accented with blue and white patterns. The lighting is soft and even, creating a tranquil atmosphere.

Luxury SPA RETREAT
